

As many of you are aware our 5-year Pricing Agreement with AmeriGas expired on April 3, 2023. After frequent attempts to communicate our interest in a possible renewal we received no response. In the meantime, we investigated several alternatives and came up with a suitable partner with Ferrellgas which can service our community out of Quincy, California.

Below outlines the three-year pricing agreement. After completing email to our main Ferrellgas Account Manager Chris Hall at [chrishall@ferrellgas.com](mailto:chrishall@ferrellgas.com) or contact him if you need help or instructions filling out the application. Chris's numbers are office 530-283-1354 and his cell is 530-559-3767.
